## Tuskegee Institute

Tuskegee Institute's story begins with the introduction of black slaves into the American colonies. Set free by the Civil War, ex-slaves were anything but equal. Their culture destroyed, they were disoriented, uneducated, poor, without political influence, and made to feel inferior in almost every way. Slowly—too slowly for a country founded on such principles as ours—the need to provide these freed people with the means to orient themselves was recognized. Tuskegee Institute represented a firm step toward the recognition of a cultural heritage too long denied.

Founded by Booker T. Washington in 1881 as a normal, or teachers, school for blacks, Tuskegee Institute today is a coeducational, privately controlled, professional, scientific, and technical institution.

Tuskegee Institute offers many things to many people but most of all it provides blacks and other minority groups the opportunity to prove to themselves and the world that education can make the person, regardless of race or socio-economic status. Through the years Tuskegee has provided regional, national and international communities with a progression of skilled laborers, educators, doctors, nurses, agricultural specialists and scientists. Tuskegee Institute has effectively worked to reduce the level of prejudice, discrimination and unequal opportunity within the United States. It has given aid to large areas of the South. It has been and continues to be an action-oriented institution with the social improvement of black Americans as its primary target.

Throughout its history, Tuskegee Institute has been a dynamic institution, expanding and shifting emphasis in both curriculum and services with the changing times. Tuskegee alumni proved themselves and upheld the reputation of the school. But it was its leaders and teachers, notably Booker T. Washington, his successors, and George Washington Carver, who drew the attention of the nation and the world to the contributions that Tuskegee was making.

Booker T. Washington helped perpetuate strong leadership at Tuskegee by recognizing the capabilities of his successor, Robert R. Moton, another graduate of Hampton Institute in Virginia. Moton led the school for 20 years and won the respect of those who worked under him. In 1935, Dr. Frederick D. Patterson became President, followed in 1953 by Dr. Luther H. Foster, who continues the tradition of forceful leadership.

Undergraduate instruction at Tuskegee Institute is organized under six major areas—College of Arts and Sciences, School of Applied Sciences, School of Veterinary Medicine. Courses are offered leading to the degrees of Bachelor of Arts and Bachelor of Science and one professional degree. Each area is supervised by a dean.

**HAYWOOD SCISSUM**  
**HEAD COACH**

## **Golden Tiger Football Coach**

**Haywood Scissum**

Scissum, who has been at the helm in Tiger Country for 9 years will start his 10th year in 1979. In that span he has guided the fortunes of the Golden Tigers to victory 53 times and saw them bite the dust 28 times - one game ended in a draw. He has guided two of his teams to near perfect seasons. In 1970, 9 wins and 1 loss; and in 1971, 11 wins and 1 loss, having had only one losing season.

Being the innovator that he is, Scissum decided to add a new dimension to the Golden Tiger attack. Having been first in the S.I.A.C. to install the wishbone, the Golden Tigers added the Houston Veer and the pro-set. Fans of the Golden Tigers may see either or all on any given Saturday.

Coach Scissum is married to Mary Bob, and they have two girls, Deborah teaches at Westinghouse High School in Pittsburgh, and Karyn is a 12th grader at Tuskegee Institute High.

OFFICE OF  
ALUMNI AFFAIRS

November 3, 1979

Greetings Fellow Alumni and Friends

It is again my privilege to extend a warm welcome to each of you and your families on the occasion of our 1979 Homecoming. Your presence here on campus is an inspiration to our faculty, staff and our students. It is somewhat of a barometer for our efforts and will spur us on to even greater achievements.

Please join us in extending a very special welcome to those alumni who have returned to Alma Mater to celebrate class reunions - classes of 1914, 1919, 1924, 1929, 1934, 1939, and 1944. It is indeed heartwarming to greet those enthusiastic and loyal Reunionites this weekend.

Let us all cheer and boost our Golden Tigers as they challenge the University of Maryland's Hawks in the Homecoming gridiron. We can win and we will win!!

On Homecoming Day, visit one of the Centennial booths located at both entrances to the Alumni Bowl - we will be happy to assist you. If you wish to begin Centennial payments or make additional payments while you are on campus, please come to the Development Office -third floor, Krege Center. Special literature and souvenirs will also be available.

Please come again soon and be sure to come July 3-5, 1981 when the National Alumni will gather to celebrate the 100th birthday of our great Institution.

Sincerely yours,

A handwritten signature in cursive script that reads "Fanny".

## THE TUSKEGEE SONG

*Music by N. Clark Smith*

Tuskegee, thou pride of the swift growing South,  
We pay thee our homage today,  
For the worth of thy teaching, the joy of thy care;  
And the good we have known 'neath thy sway.  
Oh, long-striving mother of diligent sons,  
And of daughters, whose strength is their pride,  
We will love thee forever, and ever shall walk  
Thro' the oncoming years at thy side.

Thy hand we have held up the difficult steeps,  
When painful and slow was the pace,  
And onward and upward we've labored with thee  
For the glory of God and our race.  
The fields smile to greet us, the forests are glad,  
The ring of the anvil and hoe  
Have a music as thrilling and sweet as a harp  
Which thou taught us to hear and to know.

Oh, mother Tuskegee, thou shinest today  
As a gem in the fairest of lands;  
Thou gavest the heav'n-blessed power to see  
The worth of our minds and our hands.  
We thank thee, we bless thee, we pray for thee years  
Imploring with grateful accord,  
Full fruit for thy striving, time longer to strive,  
Sweet love and true labor's reward.
