“ I am a substitute at Auburn High School, Coach Jeter was someone you could go to if you had a problem with a student or go to just to share a laugh. I will miss him greatly. May God hold your family in the palm of his hands. My prayers for the family.

“ The Jeter family you have suffered a great loss for that, my sympathy is with you. But remember Coach Jeter as the husband, father, educator, coach and most of all a great friend that he was. There are very few men in this life that could ever measure up to Coach Jeter. I will always hold the good times we had together next to my heart as I know you all will. He will be missed very much but take comfort in that he has touched so many young people in his short life. I count it a honor to have known and called him a close friend. My God give your whole family the comfort that only he can give in this time of loss I will keep you entire family in my prayers. Rickey Skidmore, Russellville, AL
